## FELLOW TOWNSMEN.

---

GENTLEMEN :—

The figures in our report show our financial standing. By strict economy we have succeeded in reducing our debt. We have paid \$378.04 on notes that were drawing five per cent and there is only \$512.78 which is now drawing five per cent, nearly all of balance is drawing only three per cent.

The washout at Coburnville has been an extra expense, but it being so early in the year, we put some highway taxes from other districts there to reduce expenses.

The long bridge between the two ponds at Coburnville which cost \$40.00 to rail a few years ago needed railing again and the Rochester Mfg Co. were willing to find piping if we would do the work and we thought it for the town's interest to do so. The job was nearly completed when the ground froze so it could not well be finished last fall, but all bills are paid thus far

The town debt has been reduced \$722.52 the past year, now leaving the debt \$1,468.60

Respectfully submitted,

EBEN E. BERRY,	}	Selectmen of New Durham.
IRVING S. CHAMBERLIN,		
THOMAS BRACKETT.

## LIBRARY REPORT.

---

Of the Free Town Library of New Durham for the year beginning Feb. 15, 1900, to Feb. 15, 1901.

Whole number of books in library 134.

During the past year only two books have been added, History of the Fifteenth Regiment N. H. Volunteers and State Papers, Addresses and Poems by Ex-Governor Moody Currier. Presented by Mrs. Moody Currier.

The circulation for the past year has been small owing to the fact that the books have been read and re-read by most every one who takes books from the Library.

As there have been no new books purchased for so long the Trustees think it advisable to draw the money now due the Library from town and purchase some new books this spring.
